Mostar, September 1993.

Ms. Paquet

With regards to our conversation from September 08 1993, and your conversation with Mr. Kresimir Zubak, I am sending you this written reply.

The school supplies you sent (12 boxes) have been accepted by Slavica Juka from the Ministry of Education, Culture and Sport HR H-B for the municipality of Mostar.

With regards to the four boxes of very important medicine which were on the UNHCR and UNPROFOR convoy for Mostar, it somehow found its way onto the left bank of Mostar. Thereby, we plead with you to intervene with a new donation for the right bank of Mostar so that his nonintentional act does not be seen as an intentional one.

Your donation of milk, baby food, hygienic and children's packages has been distributed in the following manner:

- Vares 5 tons
 - Mostar 3 tons
 - Prozor 4 tons
 - Ljubuski 1 ton
 - for the evacuation of refugees from Vareš to Čapljina and Stolac 2 tons
-
- total 15 tons

If you have any further questions or comments please feel free to contact me. I look forward to hearing from you.

Thank You
